SIDIARY RULES RELATING TO DANGEROUS DRUGS (MEDICINAL OPIUM, MORPHINE, HEROINE AND COCAINE.)

Notification No. R. Dis. 89-22, dated 6th June 1923.

exercise of the powers vested in him by Rule 29 of the Mysore Dangerous Drugs ublished in Government Notification No. R. Fl 5109 — Ex. 6-21-41 dated 5th May n pages 44 to 48 of the *Mysore Gazette*, dated 17th May 1923, Part III and with e to Rules 17, 18, 24 and 25 of those rules, the Excise Commissioner hereby pre- the following forms and conditions for the grant of licenses for the vend of dangerous nd of passes for the transport of these drugs. They will come into effect on 1st July

"Licensed dealers'" licenses and "Licensed chemists'" 'licenses' shall be in Form I rm II, respectively, hereto attached. Every such license shall expire on the 30th June llowing the date of issue.

The fee for each such license shall ordinarily be Re. 1 per annum, but—

(*a*) no fee will be levied on licenses granted to officers in charge of medical institutions maintained by the Government;

(*b*) the Excise Commissioner may remit the fee in the case of licenses granted to persons in charge of charitable medical institutions;

(*c*) no fee will be charged for the grant of a dealer's license to a person holding a chemist's license.

In the case of licenses granted free of charge under clause (*a*) or (*b*) of the forego- e to officers or persons in charge of medical institutions, the license should be made favour of the officer or person by virtue of his office and not by name.

If any such medical institution comprises more than one dispensary situated on the premises (*e.g.*, a sale dispensary, an outpatients' dispensary, etc.,) a single license m II will suffice to cover all such dispensaries, a separate license in Form I being taken cover the main store from which the dispensaries are supplied. But a note should be on the license in Form II by the licensing officer to the following effect. "This license the following dispensing institutions situated on the premises, *viz*:—

Note.—(i) For a branch dispensary situated in entirely separate premises, a separate e will be required.

(ii) For drugs actually used by an approved practitioner in his practice (and not y dispensed on his prescription) no license is required (*vide* rule 6 of the Dangerous Rules). Accordingly, no license is needed for drugs actually used in the operation room edical institution in charge of an approved practitioner.

If in any case the quantities of drugs specified in condition 3 of the license form are opinion inadequate, the Deputy Commissioner should refer the matter, with his re- endation as to the increased quantities to be authorized, for the orders of the Excise issioner. Any increased quantity which may be authorized by the Excise Commis- should be endorsed by the Deputy Commissioner in the space at the foot of condition he license, the number and date of the Excise Commissioner's orders being cited, and dorsement being signed by the Deputy Commissioner.

(*a*) The accounts required by condition 6 of the licensed dealer's license and of censed chemist's license shall be in Forms III and IV respectively hereto attached, books ich shall be supplied by the Deputy Commissioner on payment of such price as may ed from time to time.

(*b*) A separate set of pages shall be set apart for each drug possessed under cover of ense.

(*c*) Each transaction shall be recorded as it occurs and the account balanced.

(*d*) When drugs are manufactured otherwise than for immediate sale, supply or dis- g (for instance in the preparation of a standard solution) the quantity of dangerous used in manufacturing the same shall be shown on the appropriate page or pages in n 6, the name and quantity of the drug manufactured and the number of the page on transactions relating to it are recorded being entered in column 8 on the same page, e entry signed by the manufacturer. The quantity of drug manufactured shall at the time be recorded in column 3 on the appropriate page, the word "manufactured" and number or numbers of the page or pages on which transactions relating to the drugs in manufacture are recorded being entered in column 4.

(*e*) If a dealer's license and a chemist's license are held by the same person or insti- intended for use under each license shall be stocked separately, and drugs

Form III shall be entered the words "transferred to chemist's stock" and the numbe page of Form IV on which the corresponding entry appears, and the entry shall be sig the person making the transfer, and also by the person in charge of the "chemist's" st the "dealer's" and the "chemist's" stock are in the direct charge of different persons.

(*f*) In the case of medical institutions comprising two or more dispensaries o same premises, a separate account in Form IV shall be maintained for each dispensary ed by the license (*vide* rule 4), and in the case of drugs issued to them the appropria tries in column 8 of Form III will be "transferred to sale dispensary," "transferred t patients' dispensary," "transferred to operating room," or as the case may be.

Note.—For drugs issued for use in the operation room of an institution in charge approved practitioner an account in Form IV need not be maintained.

(*g*) Every entry in column 6 of the register in Form III or Form IV maintain a licensed dealer or licensed chemist shall be authenticated in the last column by the sig of the person by whom the drug is supplied or dispensed, and also by the signature person to whom it is actually delivered, if literate. If, in the case of drugs supplie licensed dealer, such person be a person other than the person whose name appe column 8, the order or acknowledgment for the drug of the person whose name appe column 8 shall be filed by the licensed dealer after being marked by him with a number, which number shall be entered by him in column 10 of Register III. Such or acknowledgments shall be produced by the licensed dealer, together with his accoun the demand of any officer authorized to demand inspection of his accounts.

(*h*) Every licensed chemist shall maintain a prescription book in Form V her touched, which shall be supplied by the Deputy Commissioner on payment of such p may be fixed from time to time, and shall enter in it full particulars of each prescriptio taining dangerous drugs dispensed by him. To each entry shall be allotted a serial nu and the same serial number will be entered in column 10 of Form IV against the dispensed.

Note.—In cases where the original prescription is retained by the licensed chemi filed in pursuance of the next following sub-rule, the prescription need not be copied in c 5 of the prescription book, the entry in which will be "original prescription filed."

(*i*) Every prescription retained by a licensed chemist under condition 5 (*h*) license shall be filed by him, after being marked by him with the serial number allot it in the prescription book, and shall be produced, together with his accounts, on the de of any officer authorized to demand inspection of his accounts.

7. Any licensed dealer or licensed chemist who desires to import dangerous drug do so after obtaining the necessary Resident's pass through the Deputy Commissioner.

8. Any licensed dealer or licensed chemist who desires to transport dangerous under rule 24 must obtain from the Deputy Commissioner a transport pass which shall Form VI.

A. SUBRAHMANYA IYER,
Excise Commissione
